PROBLEM STATEMENT

The Shine Utensils is the famous Utensils shop which consists of varieties. It has various shops located at different location. To advertise about the quality, types and to reach remote masses the shop owner wants to create a website.

REQUIREMENT SPECIFICATION

The Web site is to be created based on the following requirements:

- ❶ Home page should give some description about the utensils stores and also when it came into existence.
- ❷ Also different section of the type of utensils likes which quality and their respective rates must be enlisted.
- ❸ Specification of the utensils must be added.
- ❹ Also the day in which the discount of how much percent is offered.
- ❺ About Us
- ❻ Contact Us: location of different counters.
- ❼ Comparison page (must allowed the same product of different type to be compared).
- ❽ Feedback: feed on the quality and services can be added.

ACKNOWLEDGEMENT

We would like to express our sincere gratitude to Almighty Allah for granting us the wisdom, patience, and perseverance to successfully complete the project on "Kitchen Utensils." This endeavor would not have been possible without His blessings and guidance.

We are profoundly thankful to our parents and family members for their unwavering encouragement and understanding during late-night sessions and demanding phases of this project. Their support was crucial in enabling us to focus on our tasks and achieve our goals effectively.

Additionally, we extend our heartfelt appreciation to our classmates for their valuable contributions, ideas, and constructive feedback throughout the development of this project. Their insights played a pivotal role in refining our concepts and improving the overall quality of our work.

For the development of the "Kitchen Utensils" project, we utilized modern tools such as Visual Studio Code for website development and Adobe Photoshop for image editing, ensuring a seamless and visually appealing user experience.

In conclusion, we are deeply grateful to everyone who contributed to the success of this project. Their support and collaboration have been instrumental in achieving our goals and delivering a project that we are proud of.

PROJECT PLAN

Project Plan: Development of Website for Kitchen Utensils.

1. Project Objectives

- ▶ Create a user-friendly website that showcases "Kitchen Utensils" products.
- ▶ Provide comprehensive information about utensils features and pricing options.
- ▶ Ensure the website is visually appealing, easy to navigate, and optimized for both desktop and mobile.

2. Timeline

Phase 1: Planning & Research (5 days)

- ▶ Define project scope, objectives, and deliverables.
- ▶ Conduct market research on consumer preferences and competitor analysis.
- ▶ Determine technical requirements and tools (e.g., Html Editor / Bootstrap / Coffee Cup / Firefox).

Phase 2: Design (5 days)

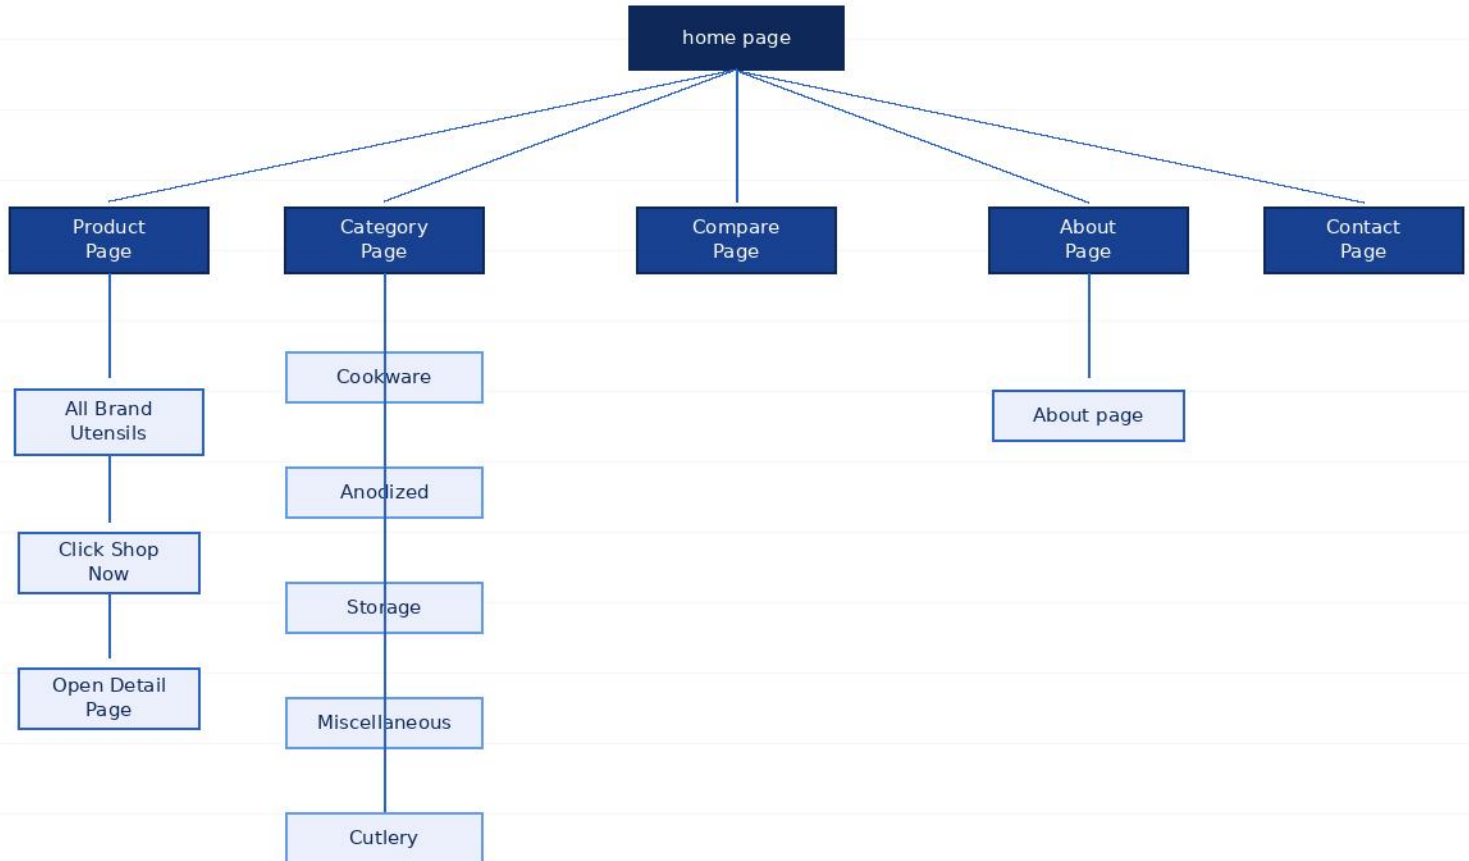

- ▶ Create a logo representing the brand identity.
- ▶ Create wireframes for website layout and navigation.
- ▶ Design mockups of key pages (home, products, category, compare, about us, contact).
- ▶ Finalize color schemes, font family, and visual elements to reflect brand identity.
